

PMBH Industrial Action Update

Dear Member,

The Port Macquarie Base Hospital Sub Branch has voted to temporarily lift the current work bans on patient transfers to and from medical imaging from 12pm Thursday 15 August 2019 for a period of four weeks, so the HSU can continue to negotiate a settlement with MNCLHD. If during this period, I-MED employees are observed performing patient transfers in non-clinical emergencies, the bans will be put back in place.

This resolution was passed to enable further discussions between the parties to try and resolve this long-running dispute.

If you have any questions, please contact your HSU organiser Michael Kearns via email on michael.kearns@hsu.asn.au.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
