

Private Health Committee: We Need You!

Dear Member,

Last month, over 500 HSU delegates came together to discuss the issues that unite us and to build on our plan for our union's future.

As part of the plan, delegates unanimously endorsed the establishment of the Private Health Division Committee to advise of sector-wide issues, develop strategies for tackling issues at work and plans to grow in this area of our membership.

The HSU is now calling for nominations from members within the Private Health Division who are interested in sitting on the Private Health Division Committee. The PHDC will meet quarterly, with its initial meeting being held next month.

If you would like to nominate yourself or someone else to be on the PHDC, or find out more, email privatehealth@hsu.asn.au.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
