

Montefiore Campaign Update

Dear Member,

Following strong HSU advocacy, Montefiore management agreed to meet with your HSU representatives today to discuss your wages and conditions.

At this meeting, your HSU representatives communicated that putting Montefiore staff on the minimum Award wage was wrong.

Even worse, the HSU has identified that many of the conditions for Montefiore staff are in fact worse than the Award. Your HSU representatives made it very clear that the HSU will **never** accept a situation in which staff are worse off than the Award.

Montefiore management agreed to review their recent wage decision and provide a response to the HSU next week.

Campaign activities planned for next week will be delayed pending the response from Montefiore management.

Our ability to improve your wages and conditions depends on the strength of our union membership. Encourage your workmates to join online at www.hsu.asn.au/join or phone the Union on 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
