

SCMSAC workers say YES to the new agreement.

Dear Member,

An overwhelming majority of SCMSAC employees have voted to accept a new Agreement to cover your wages and conditions for the next three years.

The Agreement will now go to the Fair Work Commission where it will be tested to make sure that all employees are better off when compared to the industry minimums. This process could take between 3-8 weeks before the Agreement is approved.

A big congratulations to HSU members who have been pushing for better wages and conditions at SCMSAC for years. The Agreement addresses many of the concerns members had about flatlining wages with built in wage increases for each year.

There are also improvements to a range of conditions and members are encouraged to read over the Agreement to know your rights and entitlements. If you have any questions about these or would like to get more involved in the Health Services Union email info@hsu.asn.au

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
