

Montefiore Update

Dear Member,

Following HSU campaign activities, your HSU representatives met with Montefiore Management this week.

At this meeting, Montefiore CEO Robert Orié informed the HSU that Montefiore has agreed to commence negotiating a new Enterprise Bargaining Agreement (EBA) with the HSU this year.

Your HSU representatives requested that this information be put in writing to the HSU and we understand we will receive that confirmation next week.

This is a very significant win for HSU members at Montefiore. Montefiore has not negotiated an EBA since 2012.

This is a great opportunity to improve the wages and conditions for staff. But a successful outcome is dependent on more staff joining the HSU and being involved in the EBA negotiations. The greater the number of HSU members at Montefiore, the stronger our case for improved wages and conditions.

Encourage your workmates to join online at www.hsu.asn.au/join or phone 1300 478 679.

Together we can achieve even more.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
