

HSU Win! Advantaged Care agree to bargain

Dear Member,

Thanks to the hard work of HSU members, Advantaged Care have agreed to bargain for a new enterprise agreement!

We are pleased to report that yesterday, following discussions with the union, management at Advantaged Care have agreed to start negotiations for a new enterprise agreement.

This is a great result and only comes about because of the strong action taken by HSU members across all Advantaged Care sites.

Hundreds of people signed our petitions calling on management to start bargaining with us and now your voice has been heard. Well done to everyone involved.

However, this is only the first step. Next we will need to stay united in order to get a fair wage increase and a strong new agreement.

This is your wages and conditions, so all HSU members are encouraged to have your say about the things that are most important to you in your new agreement.

You can have your say online now by clicking this link:

If your colleagues are not yet HSU members, now is the time for them to join the campaign. They can join online at www.hsu.asn.au/join or by calling 1300 478 679.

Remember, only HSU members are part of the team campaigning for better wages and conditions, and only HSU members are covered for things like our HSU members' Ambulance Cover and HSU Journey Insurance.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
