HSU organiser and sub-branch involvement

Your HSU organiser will be visiting your workplace shortly and convening a meeting to discuss the matter with affected employees. The HSU is also seeking expressions of interest from members to be part of the consultative process as a workplace delegate in any upcoming USCC meetings regarding this proposal. The most effective way to deal with these kinds of proposals is by taking into account the concerns of the group, agreeing on a way forward and presenting that united position to management.
