

## **Your Cranbrook Care Agreement is up for renegotiation**

Dear Member,

As you might be aware your current enterprise agreement has a nominal expiry date of 31 March 2019, so it will be up for renegotiation soon.

Your enterprise agreement sets out your wages and conditions at work, so it's really important that it's fair and that it keeps up date with the rest of the industry.

We want to make sure that HSU members' voices are heard and we don't want to leave negotiations to the last minute.

The HSU has written to Cranbrook Care management and requested that we start negotiations for your new enterprise agreement soon. We will report back to members when we have a response.

To get the best deal in bargaining we need to be strong and united in the workplace. That means getting everyone involved in the union.

If your colleagues are not yet HSU members, encourage them to join today so that they are part of the negotiation process.

New members can join online at [www.hsu.asn.au/join](http://www.hsu.asn.au/join) or by calling 1300 478 679.

Only when you're an HSU member are you part of the team campaigning for fair pay and conditions at work.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
