

## **ISS management put on notice: we want a pay rise**

Dear Member,

Today your HSU Organiser Cherree Wright, HSU Bargaining Officer Lauren Hutchins and members Nok and Muhammad met with ISS management to push for a pay rise.

ISS management were keen to hear the key issues facing ISS employees at St George. Your HSU representatives made it clear that ISS employees want to be paid better for the work you do.

### **Next steps**

ISS management will now consider whether they agree to commencing negotiations of a specific agreement to cover your wages and conditions at St George.

They have committed to writing to the HSU by 8 October.

### **What can you do?**

We are one giant step closer to getting better pay at ISS – but we have a big fight still ahead of us. We will need to be strong and united to make sure that ISS comes up with the money.

If you know someone who isn't a union member tell them the HSU met with ISS management about your pay and we want them to stand with us to win. They can join at [www.hsu.asn.au/join](http://www.hsu.asn.au/join) or by calling the union on 1300 478 679

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
