

## **Sydney Adventist Hospital Renovations/Discontinuation of Service**

Dear Member,

We recently received correspondence from your employer regarding changes to your workplace.

The foyer, reception and triage areas of the Hospital will be undergoing renovations. Your employer will be holding meetings this week and next to discuss the changes.

We have further been advised that the physiotherapy service for the outpatient Lymphoedema Service will be ceasing from the 14<sup>th</sup> of October. While your employer has guaranteed contracted hours, it has not guaranteed shift times or current days of work. Administrative Staff may have to change departments and will be provided with training where necessary. Consultation over this process will begin this week.

If you are affected by either of these changes and have any concerns, you are strongly encouraged to contact your HSU Organiser Patrick Craven at [patrick.craven@hsu.asn.au](mailto:patrick.craven@hsu.asn.au).

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
