

## SVCS Heathcote Restructure Update

Dear Member,

### **Changes to CSE4 roles**

St Vincent's Care Services have confirmed to the HSU that they are reviewing the plan for these roles, which we hope means more jobs will be created.

Management have said that earlier letters which were issued for these roles, with a proposed redundant date of 27 September 2019, will no longer have that date enforced.

A meeting is scheduled on Wednesday 2 October with all CSE4.2 staff and SVCS management. The HSU will be attending this meeting to represent union members.

### **Move to SVCS pay rates**

St Vincent's Care Services have confirmed that staff have now transitioned to the rates of pay under the St Vincent's Care Services Enterprise Agreement.

If you think that your pay is not correct, please contact the HSU so that we can assist you.

St Vincent's Care Services have also asked any staff who think they are not being paid correctly to raise this with them, so that they can investigate.

### **Next steps**

St Vincent's Care Services have said that at the moment, there are no further plans for workplace changes other than those identified.

SVCS Management have scheduled for 14 October 2019 and the union will be on site to assist and represent union members.

The HSU will continue to represent and fight for all union members in any workplace changes.

If your colleagues are not HSU members, make sure that they are represented by joining the union. They can join online at [www.hsu.asn.au/join](http://www.hsu.asn.au/join) or by calling 1300 478 679.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
