

Northern NSW Member Update

Dear Member,

The HSU has been made aware of an alleged incident leading up to the statewide industrial action on 1 August 2019 and in resolving this issue, the HSU would like to remind members of the following:

- Participating in industrial action, like the action on 1 August, is an important part of standing up for your workmates and improving conditions in the workplace.
- At the same time, you should be mindful to conduct yourself in a way that is consistent with your employment obligations, including whilst addressing your industrial interests.
- The HSU will always stand up for members in taking action with their colleagues to fight to improve your working conditions.

If you have any questions, please speak to your delegate or call the HSU on 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
