

Uniting Household Model at Farmborough- your rights

Dear Member,

As you may be aware, the Health Services Union (HSU) attended staff briefing sessions on the 16th October about the transition to 'Household' model at Farmborough facility.

The HSU has been made aware that several one on one meetings were conducted prior to formal consultation commencing. As a result, we would like to remind all members of their right to have a union representative present at such meetings. Members are encouraged to contact the Member Services Division on 1300 478 679 if they are called to meetings in the future.

Further members are advised that should you be contacted by management in relation to your employment contract **do not agree to or sign anything without the advice of your union.**

Members **don't have to agree to anything which would reduce contracted hours.** You also have the right to an annual review under the provisions set out in clause 16 of your current enterprise bargaining agreement.

If you are working above your contracted hours or believe your hours will be cut, please contact your local Organiser Meri Bosevski on meri.bosevski@hsu.asn.au

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
