

NNSWLHD Nauseous Linen Update

Dear Member,

The HSU met with the LHD on Wednesday 30 October regarding the payment of the nauseous linen allowance and the draft fact sheet (see [Newsletter 809](#)).

The HSU has expressed that it is quite clear under the award on how the allowance is paid. The LHD is going to provide further information on how and why they have come up with the position they have on what is nauseous that is contained in the draft fact sheet.

A further meeting will be held next week with the LHD.

HSU members are angry at this attack and rightfully so. The HSU will continue to fight for our members to be paid allowances that they are entitled to.

In the meantime, status quo remains and members should continue to claim the nauseous allowance as they have previously done.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
