## Liverpool Superstation meeting & Delegate Elections Tuesday 12 November

Liverpool superstation now has well over 100 staff, with the majority of them being HSU members. It is therefore an ideal time to hold a station meeting and elect a delegates committee to lead the charge for Liverpool as we gear up to fight the draconian wages policy. The wages policy has hindered paramedics from achieving professional wages without any trade offs for far too long.

As your elected delegates, the committee will represent Liverpool members for both local and sector wide issues. They will be members' first point of contact to raise issues to the South West Sydney Sub Branch.

**[Please RSVP for the meeting here.](#)**

There will be 10 vacant delegate positions for Liverpool Superstation. The HSU organiser will be the returning officer and **any member that would like to nominate themselves for the committee should email [courtney.thompson@hsu.asn.au](mailto:courtney.thompson@hsu.asn.au).**

The delegates committee model will also be set up in the near future at other stations in Sydney's South West.

**All members or interested staff across South West Sydney are invited to attend.** Once the elections are completed, ADHSU Delegates will be discussing the Emergency Services Coalition and how we will fight alongside our comrades in other emergency services to obtain professional wages and campaign for better safety outcomes for members. Your South West Sydney Delegates also need your input with these campaigns and any other issues that need to be addressed.

**Where:** Liverpool Superstation  
**When:** Tuesday 12<sup>th</sup> November  
**Time:** 1800

Pizza will be provided by HSU.

**Please RSVP [here.](#)**

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
