

Public Health: We need your input

Dear Member,

As an HSU member, your views are very important.

Having a say in the future of your workplace and the direction of your union is vital.

Today we are launching a survey for all HSU Public Health members to inform the development of our plans for 2020.

Fill out the short survey here: <https://www.surveymonkey.com/r/ph-survey-2019>

With so many issues affecting HSU members across the Public Health system, it is very important that we prioritise the most important issues affecting our members.

Our big campaigns can only be won with strong membership support, so make sure you have your say.

Only HSU members will have a say on the direction of our campaigns. Encourage your workmates to join online at www.hsu.asn.au/join or phone 1300 478 679 so they can have a say too.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
