

Gosford Hospital Information Day

Dear Member,

The HSU will be holding a members' rewards and information day at Gosford this Wednesday. All members are invited to come down, say hello, and learn more about our campaigns and activities on the Central Coast.

When: Wednesday 20th November
Where: Gosford Hospital, level 2 staff café
Time: from 9.30am

If you haven't already, you will be able to complete our Public Health Survey about what issues matter to you. It's important for you to have your say, as the results will be used to inform our planning for next year's activities.

If any of your colleagues have not yet joined our Union, bring them down on Wednesday to speak with our team about the Union and the benefits of being part of a Union. For everyone you bring along you will get a ticket into our members' rewards raffle, drawn on the day.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
