

Join the Step Out, Speak Up Walk

Dear Member,

Next Friday 22nd November the HSU will be participating in the Step Out, Speak Up Walk. It is being hosted by Randwick City Council and the Eastern Beaches Police Area Command, continuing the tradition of the White Ribbon Walk.

The walk starts at High Cross Park, just on the North Eastern side of Prince of Wales Hospital. It will begin at 7:15am and participants will walk to Grant Reserve in Coogee. The walk's theme is **Let's End Domestic Violence** and the HSU is encouraging any members who can to participate.

Prince of Wales Hospital will also be holding an afternoon tea in the Edmund Blackett Courtyard from 2pm to 3pm with a gold coin donation. The proceeds will go to support the sons of Gigi, a hospital worker and HSU member who was killed in tragic circumstances earlier this year.

Let's help raise awareness of domestic violence.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
