

## **Ensuring Integrity Action – ACT members needed**

Dear Member,

This Monday, HSU members are gathering at Parliament House to join other workers and their unions in standing against Scott Morrison's "Ensuring Integrity" Bill. Please join us.

The Government's "Ensuring Integrity" Bill is a full-blown attack on all union members and by extension, all workers.

By threatening to deregister unions for administrative errors, the intention of this Bill is clear. It will no doubt be weaponised to hobble the organisations that fight against exploitation and ensure safer workplaces.

We need as many members as possible to attend to make sure that workers' voices are heard.

The message is clear – this Bill is a shameful attack on working people and the Senate crossbench should vote it down.

If you are available to join us this coming Monday the 25<sup>th</sup> of November, please let us know. Email us at [info@hsu.asn.au](mailto:info@hsu.asn.au). If you wish to attend, you will need to contact us via this email as access to Parliament House needs to be arranged.

Together we can stop this Bill.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
