

Tomaree Hospital: No extra duties when new building opens

Dear Member,

Following contact made by members at Tomaree Hospital regarding the impending opening of the expanded facility, the HSU contacted HealthShare management regarding potential changes to work patterns and workloads.

HealthShare has responded by saying: *'At this stage yes, as mentioned it should only be a change in location NOT frequency etc.'* Accordingly, the HSU strongly recommends that members undertake no extra duties on completion and opening of the new building until full consultation occurs with the HSU regarding any proposed changes as required under the award. This includes additional frequency of cleaning spaces, emptying bins etc.

If you have any concerns, please contact your HSU organiser Matt Ramsay at matthew.ramsay@hsu.asn.au.

Do you know someone who isn't yet a member of the HSU? Encourage them to join and help make their union stronger. New members can join at www.hsu.asn.au/join or by calling the Union on 1300 478 679.

In unity,

Gerard Hayes
