

St John of God Enterprise Agreement Update and Meetings

Dear Member,

The HSU will be visiting St. John of God at both Windsor and Richmond to discuss the upcoming Enterprise Agreement negotiations on Monday 25 November 2019. We understand that St. John of God will issue the Notice of Employee Representational Rights (NERR) in December, so it is imperative that all members have their say about what matters to them.

During our visit to Windsor, the HSU will be meeting with the CSSD at 12pm to discuss ongoing issues around bullying and harassment. If you have been having issues at work and would like to meet with the HSU to discuss how we can address these problems collectively, please make sure that you come along.

For those members who are yet to complete the survey, you can do so here: <https://www.surveymonkey.com/r/STJOG2019>. Alternatively, you can complete the survey on site next week and we will ensure that your answers are recorded and form the basis of your log of claims for the new Agreement.

In the meantime, please don't hesitate to call the HSU on 1300 478 679 if you have any questions or concerns about your Agreement, or the negotiating process.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
