

Westmead Cleaners Afternoon Shift Meeting

Dear Member,

HSU officials and delegates have been representing General Services members since the industrial action taken in March 2019.

Delegates have done a tremendous job in seeking to improve outcomes for members. However, there are still some outstanding issues which remain unresolved despite the best efforts of HSU delegates.

In order to report back to members and decide on a way forward, the delegate group is urging all HSU cleaning members to attend a very important meeting.

The HSU will be holding this meeting on Thursday 19 December 2019 at [4:30pm](#) in the Westmead WECC Lecture, Theatre 4.

Agenda:

1. Staffing review figures not being produced to the HSU
2. Fact Finding sessions not finalised
3. Members' complaints still outstanding

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
