

St Joseph's Hospital Auburn: Ward Reconfiguration Update

Dear Member,

Your HSU organiser and local delegates met with management on Wednesday December 11 to discuss the reconfiguration of Rehabilitation & Palliative Care Wards at St Joseph's Hospital.

The HSU raised members' concerns, particularly surrounding the lack of consultation with staff that will be working on combined delivery of care.

It was agreed that SVHA would further consult on this matter and report back in the new year. The next meeting is scheduled for Wednesday 15 January 2020.

Your HSU organiser will also be visiting and helping to arrange regular sub branch meetings to discuss any issues going forward.

Meanwhile, if you have any comments or concerns, please email your organiser via peter.mason@hsu.asn.au, using subject line *St Joseph's Ward Reconfiguration*.

Not yet a member of the HSU? It's time to join and have a say in your working life. Talk to your local delegates about joining, visit www.hsu.asn.au/join, or call the Union on 1300 478 679. We are stronger together.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
