

RSL LifeCare- have your say.

Dear Member,

This week RSL Lifecare management wrote to me about their intention to kick off bargaining in late January next year.

It's been a big year for HSU members at RSL LifeCare, with the rollout of the new model of care. The nature of work in RSL LifeCare is changing and now it's time for you to have a say about how those changes should impact on your wages and conditions.

[You can take the RSL LifeCare survey about your wages and conditions here.](#)

The results of [this survey](#) will be used to put together the HSU Log of Claims- the list of improvements members want at RSL LifeCare. There is also a section in the [survey](#) for you to put your hand up to be part of the HSU Bargaining Team. If you are interested in becoming involved but would like more information please contact your local HSU Organiser or email agedcare@hsu.asn.au

In bargaining we are our strongest when we are united. So if you know someone who isn't a HSU member who wants to see changes to your wages and conditions send them this email and encourage them to join.

Finally, I want to thank each and every one of you for the work you do. It's a challenging sector to work in but every job is about ensuring dignity and respect for our older Australians. I wish you all a Merry Christmas- with a special shout out to those of you who are working over the holiday period.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
