

## Medical Imaging Services

Dear Member,

The HSU received a letter [HERE](#) from the LHD on 18 December from the LHD regarding the Medical Imaging Services.

The LHD has clarified that they are entering into a single LHD wide contract for Radiologists, with any radiographers/sonographers previously employed by the private sector to be moved back into the public sector.

The HSU in the New Year will be asking the LHD for the details on the process for bringing these employees back inhouse.

In the meantime, the HSU encourages those employed for the private provided to join the HSU membership form [HERE](#).

If you have any feedback, please contact HSU Organiser Peter Kelly [peter.kelly@hsu.asn.au](mailto:peter.kelly@hsu.asn.au)

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
