

Sylvanvale Update

Dear Member,

Last week, HSU representatives met with Sylvanvale's CEO and senior management to hold discussions on better communication between HSU Representatives and senior management following many notable disputes that were ultimately won by HSU members.

The HSU can report that Sylvanvale management have committed to work collaboratively with the HSU in addressing the need for better transparency and consistent communication with HSU representatives moving forward.

As part of Sylvanvale's commitment, HSU representatives have been invited to attend your next team meetings early next year.

Therefore, members will have additional opportunity to raise concerns collectively following a report back on ongoing industry wide campaigns.

Sylvanvale have also committed to considering establishing a Joint Consultative Committee (JCC). For those of you that are not familiar, a JCC facilitates communication between the management of an organisation and the employees' representatives on a quarterly basis.

Want to get more involved? If you're interested in becoming a HSU delegate or have any questions, please contact your HSU Organiser Thomas Gao via email thomas.gao@hsu.asn.au.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
