

St Vincent's Private Hospital Lismore Enterprise Agreement Update

Dear Member,

Last week, St. Vincent's Private Hospital issued the Notice of Employee Representational Rights (NERR) in relation to the St. Vincent's Private Hospital and Health Services Union Agreement 2020-2023. This means that the bargaining process for your new Agreement, which will replace the St. Vincent's Private Hospital and Health Services Union Agreement 2017-2020.

Representatives from the HSU will attend a meeting regarding the Agreement in early January. However, it is imperative that we understand what matters most to HSU members prior to the commencement of the negotiations for your Agreement.

The HSU has developed a survey, which can be accessed here:

If you are having issues at work, believe that you deserve a fair pay increase or would like to see changes to your conditions of employment that will have a practical impact on your day-to-day working life, the HSU would like to know. The survey will be open until the first week of January 2020, after which we will collate all of the data. This data will form the basis of the HSU's log of claims for the bargaining process, so make sure that you fill in the survey and let us know what you think!

The HSU will update members regularly regarding the Agreement negotiations, including when they commence. In the meantime, if you have any questions or concerns, you can talk to your HSU delegate, send an email to privatehealth@hsu.asn.au or call the HSU on 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
