

Union win at Northern Beaches Imaging Services

Dear Member,

After an extended dialogue between the Union and management, it has finally been announced by management that the recall rate for multi-modalities had not been properly applied.

In light of this the employer has agreed to now apply the right rate going forwards and to fully backpay all wages owed.

Well done to the Union members who identified the issue, participated in meetings and ultimately won their proper entitlement!

This concession by management is a testament to the fact that when workers stand up the employer is compelled to listen.

There remain serious issues regarding other recall rates in the EBA. These poorly executed clauses can only be properly addressed with the full participation of the workforce.

All staff at the worksite are encouraged to join and participate in the struggle for fair recall rates.

If you have any questions regarding the payment of recall rates, you are encouraged to contact your HSU Organiser Patrick Craven at patrick.craven@hsu.asn.au.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
