

SLHD Community Mental Health: Follow up meeting

Dear Member,

On 19 December 2019, members from across Community Mental Health within Sydney LHD meet to discuss several concerns. At the meeting, members voted on and endorsed a resolution relating to these concerns which was forwarded on Sydney LHD for a reply.

The HSU has now received a reply to our resolution and your Organiser Peter Mason is currently planning a series of follow up meetings with members to discuss the reply, including an offsite after-hours meeting. Information about these meetings will be distributed shortly.

Given these concerns relate to several safety issues members have recently identified, we urge you to attend and help to find ways forward. The HSU strongly supports members raising their concerns and will continue to represent them to SLHD management.

Sydney LHD has also agreed to set up a meeting, at a time to be confirmed, to discuss these matters.

During member meetings, we will also be seeking expressions of interest from members who would like to be part a delegation to attend the meeting with the LHD and further discuss the concerns of the wider group.

If you would like any more information, please contact Peter on 0447 478 965 or peter.mason@hsu.asn.au.

If you know a colleague that's not yet a member, please have a conversation with them and ask them to join either online at www.hsu.asn.au/join or over the phone by calling 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
