

## **HSU Public Health Survey: Don't forget to have your say**

Dear Member,

The HSU Public Health Division is currently surveying all of our members, seeking your feedback and input on matters which are important to you.

The [survey](#) will only take about 5-10 minutes, but the information you provide is invaluable. Your participation will help guide the activities and campaigns we undertake over the next 12 months and will be the driving force of a planning session being held in February this year.

If you have not already completed the survey, you can do so by clicking on the below link. The information you provide is entirely confidential and any personal information gathered will not be distributed to any outside party.

<https://www.surveymonkey.com/r/ph-survey-2019>

Please feel free to forward this newsletter to your colleagues and encourage them to join if they are not yet a member of the HSU. New members can join online at [www.hsu.asn.au/join](http://www.hsu.asn.au/join) or by calling 1300 478 679.

If you need any further information or have any questions, please contact your local HSU Organiser. Your Organiser will also be onsite prior to our February planning session with hard copies of the surveys for members who can't complete the survey online.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
