Secretary  
Health Services Union

Dear Mr Hayes

I am writing to invite the Health Services Union to nominate delegates and or representatives for the Oral Health Service Staff Consultative Committee (SCC).

The SCCs are part of NSW Health's framework for consultation on employee matters, as set out in the *NSW Health Policy Directive (PD2019\_059) Industrial Consultative Arrangements in the NSW Health Service*. The SCCs are established by each health facility as a forum for consultation and discussion between management, unions, their delegates and staff of the respective facility. Oral Health Service is a district service of South Western Sydney Local Health District (SWSLHD) and as such it is practicable to have its own SCC to discuss employee matters relevant to the Oral Health Services.

The Oral Health Services SCC will report to the SWSLHD Joint Consultative Committee (JCC). It will meet quarterly to align with the district JCC.

The first meeting of the Oral Health Service SCC will be held on Tuesday, 10 March 2020, at 11am. The agenda for this meeting with a copy of the draft Terms of Reference is enclosed for further discussion.

Please send the details of your nominated delegate(s) and or representative(s) to Ms Kathleen Fitzgerald (Secretariat) at [SWSLHD-OralHealthGeneralManagersUnit@health.nsw.gov.au](mailto:SWSLHD-OralHealthGeneralManagersUnit@health.nsw.gov.au) by Monday, 10 February 2020. If you have any questions, please do not hesitate to contact me on [Ravi.Srinivas@health.nsw.gov.au](mailto:Ravi.Srinivas@health.nsw.gov.au) and 02 87389073.

Yours sincerely

**Associate Professor Ravi Srinivas**  
Director, Oral Health Services
