

SNSWLHD Restructure Update

Dear Member,

I am writing to you again regarding the ongoing restructure in Southern NSW LHD.

In our [last newsletter](#) on this issue, sent on 24 January, I advised that I had sought urgent discussions with the LHD's Interim Chief Executive, Mr Terrance Clout, and had instructed our industrial team to notify a dispute to the Industrial Relations Commission over the LHD's poor handling of consultation for this restructure.

I have since spoken to Mr Clout and reached an agreement that the restructure will be temporarily placed on hold pending review by the LHD's new Chief Executive, who is due to start in early March.

As a result of this agreement, dispute proceedings in the Commission have also been placed on hold.

Our goal is to ensure that proper consultation takes place in relation to this restructure so that the interests of our members can be protected. We will continue to keep you informed of any further developments.

If you have any questions, please contact your local delegate or organiser, or contact Brendan Edghill at the HSU head office on 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
