

New HSU Organiser

Dear Member,

As members may be aware, the HSU has been in the process of filling vacant positions in the Public Health Organising team.

We are pleased to inform members that the vacancy for the allocation including Mt Druitt, Blacktown, Westmead Children's Hospital, Nepean Hospitals and Parramatta Linen Service has been filled by Randall Millington.

Randall Millington is a highly experienced Organiser and has a great track record of being a passionate advocate for HSU members in his previous role in the HSU Aged Care team.

Randall Millington will be visiting workplaces over the coming weeks to introduce himself and to meet as many members as possible.

Members are encouraged to continue to contact the HSU on 1300 478 679 or email memberservices@hsu.asn.au if they have any workplace questions or concerns.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
