

John Hunter Hospital Intensive Care Unit Update

Dear Member,

The HSU Sub Branch at John Hunter Hospital has been strongly advocating on behalf of members, calling for HealthShare to provide draft duties lists for affected workers in the Intensive Care Unit. Management have been reluctant to provide these, but the HSU has finally received the draft copies which can be read by clicking on the links below.

Documents provided:

- [058 - ICU cleaner A+B](#)
- [HDU Wardsperson 9am-5pm](#)
- [HDU Wardsperson Sat Sun PH's 9am-3pm](#)
- [ICU Cleaner Paeds and Zone E](#)
- [Wardsperson ICU Cleaning Afternoon Shift](#)
- [Wardsperson ICU 2-6pm](#)
- [Wardsperson ICU Afternoon Shift](#)
- [Wardsperson ICU Day Shift](#)
- [Wardsperson ICU Night Shift](#)

The HSU calls for members who are required to undertake duties in the ICU to read the draft documents and to provide your written feedback to the JHH Sub Branch. A Union-Specific Consultative Committee (USCC) is being convened and the HSU will be seeking representatives from the membership to participate in this forum along with the Sub Branch executive and your local HSU Organiser.

Management are also commencing one-on-one discussions with workers. Please contact the Sub Branch committee if you would like a support person in your meeting.

This is your opportunity to create positive change for Patient Support Workers in the JHH ICU. The HSU urges members to provide feedback to your Sub Branch. Alternatively, please email Organiser Matt Ramsay at matthew.ramsay@hsu.asn.au.

Not a member of the HSU? Now is the time to join and have your say! New members can join by visiting www.hsu.asn.au/join or by calling the Union on 1300 478 679. We are stronger together!

In unity,

Gerard Hayes
