

## Northcott JCC Meeting: You're invited!

Dear Member,

Over the last 12 months the Health Services Union has been in discussions across a number of important issues directly affecting members, including the delayed renegotiations of your wages and conditions, and the recent team leader and service coordinator restructure.

Most of these discussions have taken place through the Joint Consultative Committee, where HSU members and representatives can raise issues and concerns directly with senior management.

**The first Joint Consultative Committee (JCC) meeting this year will be held next Wednesday 19<sup>th</sup> February at 2:30pm – and you're invited to attend.**

HSU members and delegates are invited to attend this meeting with management. It's a really important time as negotiations of your Northcott Enterprise Bargaining Agreement (EBA) are about to commence.

If you are unable to attend in person, teleconference facilities will be provided.

Please email HSU organiser Thomas Gao, [thomas.gao@hsu.asn.au](mailto:thomas.gao@hsu.asn.au) if you would like to attend in person or by phone.

Thomas can also be contacted on mobile 0435 307 232 should there be any issues you would like to discuss.

As we start the fight for better wages and conditions, union membership is vital. We can only achieve great outcomes when we work together. If you know of colleagues who aren't yet union members, encourage them to join online at [www.hsu.asn.au/join](http://www.hsu.asn.au/join) or by calling the union on 1300 478 679.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
