

Lithgow Aged Care: “Renewed Contract Concerns”

Dear Member,

HSU members have raised concerns about the recent issuing of “renewed” contracts for employees. Some members appear to have had their classifications dropped without any explanation.

Have you received a renewed contract? Has there been a change to your classification (from CSE3 to CSE2 as example)?

Members are advised to not sign anything and to contact the HSU if you have any concerns by emailing agedcare@hsu.asn.au or calling the HSU Member Services Division on 1300 478 679.

The HSU will be contacting Lithgow Aged Care management to clarify and rectify any discrepancies.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
