

HNELHD Nuclear Medicine Proposed Roster Change Update

Dear Member,

The HSU recently conducted a roster survey of members working in the Nuclear Medicine Department at the John Hunter Hospital and Calvary Mater Hospital, Newcastle. The survey was in response to management's proposal to amend start times and introduce an on-call system at the Calvary Mater Hospital.

The survey results indicated that there is no objection from members starting at 0730. There was also an overwhelming majority of feedback indicating that members are prepared to undertake an on-call arrangement from the Calvary Mater in addition to the John Hunter Hospital.

The HSU will be providing a formal response to management as a result of your feedback. We wish to thank all members who participated.

Do you know someone who isn't yet a member of the HSU? Encourage them to join and have their say. New members can join at www.hsu.asn.au/join or by calling the Union on 1300 478 679.

In unity,

Gerard Hayes
